[1](#)1. (SBU) In a November 19 telcon with poloff, Walaa Soliman (wife of prisoner Nabil Soliman) reported that she was allowed to visit her husband at Torah Prison on November 18. Walaa noted that she gave food to her husband, but he did not specify whether he would continue his hunger strike or not. She said that her husband hopes to be moved to another prison; poloff recommended that he raise his request with prison officials. Walaa plans to visit Soliman again on November 25. Poloff will continue to monitor Soliman's welfare and treatment, through visits and communications with his family.
